From the Vicar

Canon Paul Richardson

Dear friends,

Through October and into November, the Church invites us into a season of remembering. The evenings draw in, and the falling leaves remind us that life is precious, passing, and held always in the hands of God. At this time of year we remember those we have loved and see no longer, and we place our grief, gratitude and hope before God, who never forgets any of his children.

All Souls' Day, on 2 November, is a special moment in the Church's year. We do not pretend that death is easy, nor that loss can be brushed aside. Instead, we bring our memories into prayer. We give thanks for those who shaped our lives and commend them to God's mercy and love, trusting that in Christ, death does not have the final word. In preparation for this time, you are invited to All Hallows, Bardsey for an "All Souls Memorial Service" on **Sunday 25 October, at 3.00pm**. Please come to write the names of departed loved ones on a card and light a candle, as we give thanks for their lives, and for God's promise of life eternal. We keep All Hallows Patronal Festival the following week on **Sunday 1 November** which is All Saints or All Hallows day.

In November we also mark Remembrance Sunday, when our villages join with many others across the country to remember those who gave their lives in war and conflict. We remember not to glorify war, but to honour

sacrifice, to lament the cost of violence, and to renew our longing for peace. The silence we keep is not empty; it is filled with gratitude, sorrow, prayer and resolve. As wars continue to rage in Ukraine and Iran and in many other areas outside of the focus of the media, we make anew our commitment to justice and peace.

These two acts of remembering belong together. At All Souls, we remember those close to us who have died. On Remembrance Sunday, we remember those whose names may be carved on memorials, recorded in history, or known only to God. In both, we are reminded that every life matters to God, every tear is seen by God, and every act of love and courage is gathered into God's eternal keeping.

If this is a difficult season for you, please know that you are not alone. Our churches are places where memories may be spoken, prayers may be offered, and hope may be gently received. Whether your grief is recent or long carried, God meets you with compassion. The risen Christ bears the wounds of suffering and yet stands among us with words of peace.

May this season of remembering deepen our thankfulness, strengthen our hope, and renew our commitment to live as people of peace. And may the faithful departed, through the mercy of God, rest in peace and rise in glory.

With every blessing,

Paul

Bardsey Primary Academy

Leeds primary school rated 'strong' across the board in glowing Ofsted report

Bardsey Primary Academy was praised by inspectors for the impact of leaders' actions on "improved attendance, behaviour, achievement and inclusion" since joining the high-performing GORSE Academies Trust in 2023. Ofsted highlighted that "the trust has detailed oversight of the school's effectiveness" and that trustees "scrutinise school performance information thoroughly".

After a visit by Ofsted inspectors, Bardsey was judged to have reached a 'strong standard' in all seven areas inspected: achievement, attendance and behaviour, curriculum and teaching, early years, inclusion, leadership and governance, and personal development and wellbeing. Around only four per cent of primary schools in England had achieved a strong standard across every area.

Key highlights from the report include:

- By the end of Year 6, pupils' attainment in reading, writing and mathematics is consistently above the national average, with inspectors noting that disadvantaged pupils "outperform other disadvantaged pupils nationally".
- Pupils with special educational needs and/or disabilities "fare very well due to the close attention that is given to reducing their barriers to learning".
- Leaders have built "an ambitious, rich and well-structured curriculum that is designed to develop deep thinking and reflection".
- A newly developed early years outdoor provision area supports the school's ambition to give children the best possible start, with leaders recognising that "giving children the best start to their education is crucial for future success".

- Attendance rates are consistently above the national average.
- Pupils benefit from an extensive enrichment offer including specialist Mandarin lessons, beekeeping, astronomy and karate, alongside a dedicated careers week.
- Pastoral support is highly effective, ensuring pupils "have someone to turn to when they are upset or worried".
- Parents and carers are "extremely positive about the school's work", telling inspectors that leaders "go above and beyond to secure pupils' academic progress and personal development".

Graham Parry, Principal of Bardsey Primary Academy, said:

"This report is a proud moment for everyone at Bardsey Primary Academy. To be rated 'strong' in every area is a superb achievement and the result of a real team effort. Everyone involved with the school has played their part in this success – our hard-working, talented staff, our supportive parents, The GORSE Academies Trust, and of course our wonderful pupils."

"We are committed to providing the very best education possible both inside and outside the classroom, including a wide and enriching educational offer, so we are thrilled that this has been recognised by Ofsted."

"I want to thank our whole school community for all that they have done. We will continue to work hard every day to continue to give our children the best education possible."

Sir John Townsley, Chief Executive Officer of The GORSE Academies Trust, said:

"Bardsey Primary Academy's result is a real credit to Graham Parry and his team. They have worked tirelessly to produce a school that is at the top of its game and that gives children a superb education. We look forward to seeing Bardsey Primary go from strength to strength."

Come Sing With Us...

Your local community choir, Village Voices, are back for another season, and would love for you to come and sing with them.

The choir performs for various events in and around the villages over the year, particularly around Christmas time, and practise for an hour on Thursday evenings from 7-8pm, in the Methodist Church, in East Keswick, although there are no direct links to any church organisations.

Our repertoire covers everything from old and new classics, such as 'Fly Me to the Moon' and Abba's 'Waterloo', through traditional folk songs to well known musical theatre numbers.

Music is something we can all enjoy, and you don't need to have any previous experience of singing. There are no auditions, you can just come along and then decide whether you like singing with us or not.

We will be holding a 'taster session' on **Thursday 8 October**, to allow potential new members to give it a go, without making any commitment. Please come along, you will be made very welcome.

For further information please contact Charlotte Meek on; **meekfamily@hotmail.co.uk** or Jim and Janita Dedicoat on **01937 573923**.

East Keswick Wildlife Trust

The trust has been protecting local wildlife for more than 30 years. We manage, conserve and protect land for nature and our local community. Join us today to help us to continue for the next 30 years and beyond and help protect wildlife on your doorstep.

- Family membership, £35 a year
- Single membership, £20 a year
- Students and concessionary, £15 a year
- Wildlife Guardian, £125 a year. For those who want to make a bigger contribution to protecting our wildlife.

We have an extensive programme of walks, surveys, children's events, lectures and practical conservation work for you to participate in. Head to the membership section on our website for full details of how to join **www.ekwt.org.uk**

LOGS FOR SALE

Seasoned hardwood logs are now for sale. They are a byproduct of conservation management in our local woodland nature reserves. One hundred percent of the proceeds go towards the conservation works and running costs of East Keswick Wildlife Trust. The logs are £130 per load (large builder's bag size). Large bags of kindling are £14. Deliveries are on a Friday. Email **info@ekwt.org.uk** to order or for more information.

FORTHCOMING EVENTS

17-18 October, East Keswick Art Show, Bardsey Village Hall, 10am – 4pm. We will have an information stand at the show and there will be a children's wildlife art competition.

East Keswick History Group

Peter Harding

We have two talks coming up in this autumn.

Little Kingdoms - Post Roman Yorkshire
Thursday 15 October, 7.30pm
An illustrated talk by Alex Harvey

As Rome's power in Britain began to wane in the fifth century, opportunities arose for rival leaders to step into the void. What many call the 'Anglo-Saxons' or 'British' kingdoms emerged in this era marked by competing interests and brutal warfare. Who ruled over Leeds, West Yorkshire and the immediate hinterlands during the so-called 'Dark Ages'?

Join Alex for his talk on the weird, wonderful, and unknown kingdoms that made up this area of England. This archaeological and historical deep-dive will enable you to see these landscapes, their place-names, and their former inhabitants in a new light.

Alex is a postgraduate history student at the University of York with a focus on Scandinavian York. He has written for many journals and has presented research for numerous organisations.

The talk will be briefly preceded by our AGM.

A History of Whitby
Thursday 12 November, 7.30 pm
An illustrated talk by David Taylor

Most of us have probably been to Whitby and seen it as holiday visitors, however the town has a long and interesting history.

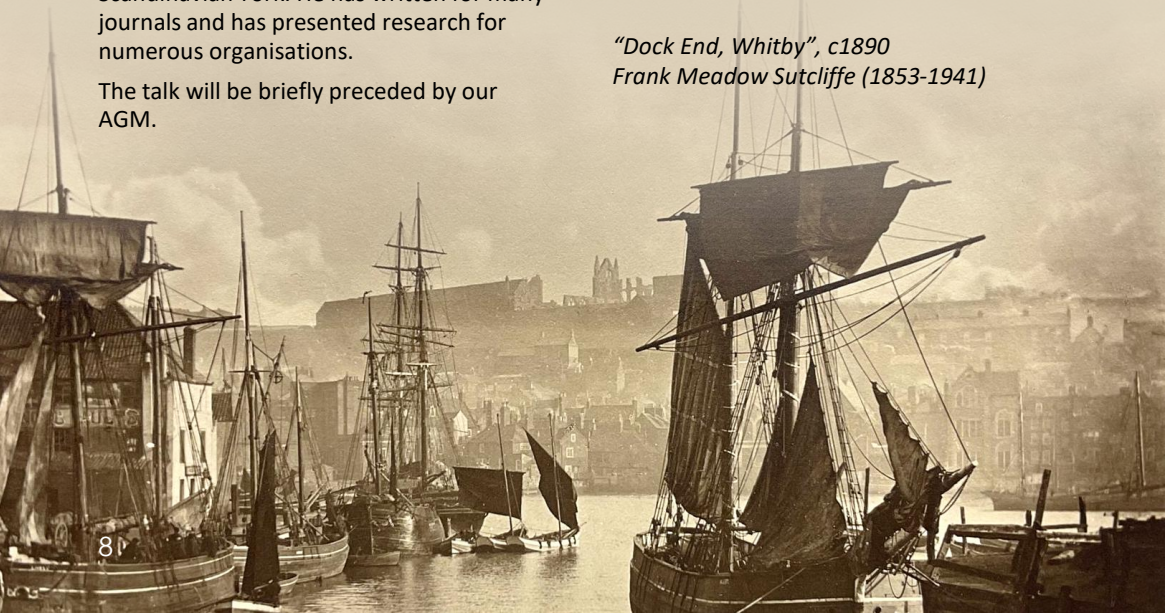

Learn about the 7th century Synod of Whitby, the sacking of the Abbey by Vikings and its rebuilding in Norman times.

Whitby was mostly cut-off from the hinterland due to poor roads and has therefore looked to the sea for its development and prosperity, with shipbuilding and repair, the coal trade from the North-east to London and ships hired-out as troop carriers, which was dangerous but very profitable. The arrival of the railway in 1840 and consequent increase in visitors triggered further development.

Learn about George Hudson, the 'Railway King', and the photographer Frank Sutcliffe, who provided a vivid record of the life and times of Whitby and areas around the end of the 19th century.

All our talks are in EK Village Hall. They are free for members. £5 for non-members or £10 for annual membership. If you would like to be a member please email us at ekhistory@gmail.com

Soup Lunch @ Callister Café

Tuesday, 13 October
Tuesday, 10 November

12.45 - 2.00pm, Callister Hall, Bardsey
Join us for a soup and pudding lunch. Open to anyone who lives locally. No charge, but donations to St Aidan's Foodshare are welcomed. Contact the Parish Office for more details on **01937 574273**.

Collingham Short Mat Bowling Club

A new Indoor 'short mat bowls club' starts on **Tuesday 6 October** at 1pm in Collingham Memorial Hall.

We will meet between 1.00-3.30pm every Tuesday and Wednesday afternoon until March 2027.

Not bothered about bowling? No problem! We will also be serving tea, coffee, cake and biscuits, so just come along for a cuppa and a chat. A great way to spend a dismal Tuesday or Wednesday afternoon.

St Aidan's Foodbank

Many thanks to Bardsey and East Keswick residents and other villagers, for your continued support of the St Aidan's (Harehills) Foodbank.

We open every Saturday morning, apart from the last Saturday in the month, and we get about 100 people through the doors, which represents up to 300 people receiving support.

Although it is very well supported, we continually need donations. At the moment we are very short on tea, sugar and coffee. There are collection points around the villages at;

- 24 Congreve Way, Bardsey
- Callister Hall, Bardsey
- 21 The Paddock, East Keswick
- St Mary Magdalene church porch, East Keswick

Bardsey cum Rigton WI Update

Carol Cocker

We have had a very successful late summer. Our friends from Harden enjoyed a delightful lunch in Bardsey Village Hall and we were all amazed by Matthew Tiffany – ‘jongleur’ extraordinaire. Be it balls, hoops or toothbrushes, Matthew demonstrated juggling and balancing skills and had the audience joining in.

Several members submitted entries for this year’s very successful Bardsey Show. Congratulations to the entrants and the winners.

At our September meeting, Nicola Down gave a colourful account of her life in the world of television, and the many stars, some now of yesteryear, with whom she mixed over a long “backroom” career.

The book club is gaining momentum and on 16 September “The Bonfire of the Vanities”, set in 1980s New York, was discussed. Their

meeting coincided with “WI Day”, marking 111 years of the WI movement.

We now have a busy autumn ahead.

At our meeting on **14 October** we are holding a “Bollywood Workshop”, which should prove to be a lively and colourful evening.

On **Saturday 24 October** make sure you are at Bardsey Village Hall for our “Pig Race.” It’s fun for all the family, starting at 6pm. Own a pig or just speculate on potential winners. Tickets include a light pork supper and there will be a bar. Don’t miss out.

The Golden Plover Group will be staging an evening of song in Bardsey Village Hall on **Thursday 22 October**, with a welcome return of the talented “Songbirds”.

November of course brings our AGM, when we reflect on the past year and look forward to a new programme, which in this case will be celebrating our centenary.

We meet in Bardsey Village Hall on the second Wednesday of the month at 7.30pm. We always make time for refreshments and an informal chat. We offer a warm welcome to visitors. Why not come along to see for yourself.

Bardsey-cum-Rigton Parish Council Report

Cllr. Linda Flockton

A58 - Proposed Pelican Crossing

We are still awaiting an update from Leeds City Council after their consultation seeking views from residents who live close to the proposed pedestrian crossing.

Bus Stop - Bottom of Mill Lane

On a Saturday morning last December at around 6am, a white SUV went out of control and completely demolished the bus stop, LCC litter bin and a bench. The driver left the scene without being reported or apprehended. The bench was put there many years ago by BPC and we have used some of the Green Space Grant from LCC towards buying a new bench. The bus stop has been replaced by Metro and the bin by LCC.

Damage to Railings Close to the Bardsey/East Keswick Boundary

BPC has been pursuing LCC Highways for a suitable type of replacement railings following a motor vehicle running into the original cast iron railings, and damaging them beyond repair. This happened on Wike Lane close to the stone bridge and the boundary between Bardsey and East Keswick. LCC has now offered railings with a steel core and outer polyurethane-based layer supplied in white, which should match the undamaged railings on the opposite side of the stone bridge. We have agreed to this and hope that the work will be completed shortly.

Spear Fir

A motor vehicle has caused substantial damage in and around the Beck and Ford at Spear Fir. The driver of the vehicle involved left the scene without being apprehended. A lot of the debris is in the line of the beck and therefore needs to be cleared as soon as possible. This has been followed up and

reported to LCC Highways. At present BPC is waiting to hear what action will be taken by LCC.

Biodiversity Group

Duck Pond

The grass surrounding the Duck Pond had its 'hay cut' in July and the mown grass was left for a couple of days so the wildlife (frogs, newts, etc.) would be able to escape before the grass was raked up and taken away. Hopefully, some of the wild flowers growing in the grass will have self-seeded and we shall see the results in springtime.

Councillors, Allingham, Jackson and Flockton have transplanted some UK native flowers from Park Field to the area around the pond - these include foxgloves, teasels, aquilegia and primroses. We also intend to plant more wild flower plug plants this autumn, initially in the area near the telegraph pole, but eventually in the whole area surrounding the pond.

We will need to reduce the mowing next spring, as we did this year, to allow the new flowers to grow, but the introduction of some yellow rattle should help to reduce the growth of some of the taller, invasive grasses.

Park Field

Parish Councillors along with Penny Barber who leads our 'Friends of Park Field' group are continuing to hold working parties on the second and fourth Wednesdays in each month at 2pm. We would very much appreciate any extra volunteers who might like to come along and join our friendly group.

Overhanging Trees and Hedges

We have had many complaints about hedges and trees overhanging and reducing the width of paths and pavements. If your hedge is overhanging the pavement and making it dangerous for people having to walk on the road in order to get through with prams, pushchairs or wheelchairs we would request that you please cut your hedge back.

>>>

We have also had complaints about the public right of way (PROW) in the Congreves, which runs from the Open Space near the post box and along the back of the houses in Congreve Way. Many houses, which back on to this former open space and PROW are letting their hedges and shrubs narrow the path, which was originally quite a wide-open space. People have put up fences, where gardens were supposed to be kept open, and extended their gardens into the open space. Please be aware that it is the homeowner's responsibility to cut back their hedges, trees, shrubs and brambles and prevent people from getting scratched and injured by overhanging tree branches and brambles, etc., when walking through this PROW.

Recycling Hubs

Thank you to all who are using the recycling hubs at All Hallows and St Mary Magdalene, which are funded by a grant from Bardsey Parish Council. Our grateful thanks go to them as well.

RecycleMeUp provide the collection service and take away the materials. There are containers for medication blister packs, soft plastics, batteries and printer cartridges. Please can you separate any items into these categories.

We no longer have a facility for empty toothpaste packs but most tubes can now can go into your green bin at home.

We would appreciate it if you could take any bags that you bring your items in home again, and if the containers are full let the Parish Office know on **01937 574273** or **bardseyparishchurch@gmail.com**

The next meeting two meetings will be held on **Wednesday evenings, at 7pm on 21 October and 18 November.**

Please note that our Village Meeting on **Thursday 15 October, at 7pm**, is open to all residents.

The first ten minutes will be set aside to deal with any issues raised by residents.

Our clerk's e-mail address is **clerk@bardseyparishcouncil.gov.uk**

Full minutes and other information is published each month on our Village website **www.bardseyparishcouncil.gov.uk** where there is also a link to our Facebook page.

OUR FACILITIES

Enclosed with this edition of the Village News is a leaflet highlighting the facilities available at our Church.

This year, we are celebrating our 135th anniversary. An important part of ensuring the church remains at the heart of village life is encouraging greater use of the building through lettings. We offer a range of versatile indoor spaces, together with a beautiful walled garden, suitable for a wide variety of activities and events.

Whether you are planning a community gathering, club meeting, celebration or other event, we hope you will consider using our facilities. If you would like to arrange a viewing, please contact Donah on **07914 043836**.

East Keswick Flower Club

Valerie Readman

It doesn't seem five minutes since I was writing about the pleasures of the spring flowers, and now here we are at the beginning of autumn, welcoming rain but hoping we will still get a few more sunny days, whilst enjoying the autumn hues.

On 20 August we had a very busy morning preparing to welcome members and guests for our very popular afternoon tea. The hall looked magnificent when finished, each table had a beautiful centrepiece of pink and white flowers.

Members and guests arrived in good time to take their places and to buy raffle tickets, in the hope of winning one of the arrangements.!!!

Our demonstrator was Andrew Grisewood, his theme for the afternoon was "A Splash of Colour", he didn't disappoint the arrangements were spectacular, full of summer colour and joy and Andrew accompanied each arrangement with an entertaining story or quip, which everyone enjoyed.

Following the demonstration everyone was offered a glass of wine or sparkling elderflower. The tea was delicious, with a great variety of sandwiches, sausage rolls,

cakes and mini pavlovas, something to suit everyone, followed by tea and coffee. On each table a ticket had been placed under one side plate. The person who had this ticket took the table decoration home with them.

A vote of thanks on behalf of the 90 members and guests was given by Gillian Taylor. The raffle was drawn and the delighted winners collected their prizes, concluding a highly successful afternoon.

13 October

We have another excellent demonstration to look forward to, when Alex Gracey presents us with Tiffany and Co.

19 November

This will be a workshop led by Janine Gray, entitled "A Christmas Table Arrangement".

Tickets are now on sale at £20, for the Christmas demonstration by Ian Lloyd, entitled "Christmas Time". They can be bought at the meetings or from me on **01937 835633**. After the demonstration there will be seasonal refreshments.

Non-members can attend any of our meetings as guests and are always welcome. Doors open for the meetings at 1pm for a 1.30pm start.

SUBMIT YOUR QUESTIONS IN ADVANCE OF THE MEETING

Please submit questions to the Clerk:

Any queries raised that require further consideration will be addressed at the Parish Council meeting taking place the following week.

1st Bardsey Scout Group

After a well-deserved summer break Beavers, Cubs and Scouts are back at the Scout HQ and looking forward to a great term of activities.

Beavers are off to Bramhope Scout Activity Centre for a low ropes and climbing tower experience, before they lose the light evenings. They have two new Leaders joining the team, which is a huge bonus to the group and has enabled them to take in five new Beavers. They also have a tennis evening, skills night, maths night and signalling night planned for this term, so a real mixture of exciting activities to come.

Cubs are also taking advantage of the semi-light nights to organise grass sledging, a night hike, a visit to Roundhay Park, a treasure hunt and an ice-skating experience.

We have another a group camp planned at Thornthwaite Scout Campsite in early November, when we hope some of the scouts will be able to camp out and gain their November tick for the Yorkshire Challenge badge.

Once again, we are planning to organise a Group Bonfire Night, with games, campfire cooking and finishing with fireworks.

Our AGM/Family Fun afternoon is arranged for **Sunday 27 September**, at the Scout HQ, when we will be running games, utilising our bouldering wall and serving refreshments. If you would like to join us to find out about your local scout group, please contact Mick Bee on mickbee1@hotmail.com, so we can include you in catering numbers.

The young people in the village have a great opportunity in scouting to discover the world on their own terms and make the most of what they have, wherever and whoever they are. If you want to join our team in any way, big or small, please also contact Mick Bee, Group Lead Volunteer.

One final, important word, please can everyone be mindful when exercising their dogs up on Rigton Bank, that our HQ is private property and a no-dog zone, as we have children playing and doing all their outdoor activities on the grass. Even the smallest amount of dog pooh on clothes, tents, activity equipment, etc., is no fun! Thank you for your consideration.

East Keswick Parish Council Report

Hedge Trimming

Nesting season is over and everything has grown like mad since the rain returned. As such we are encouraging everyone to trim back their hedges, trees and assorted shrubbery, that border pavements and public rights of way, to ensure that everyone can walk safely through the village.

Trees

As it has been a very dry, hot Summer there are a lot of very brittle trees out there. Should any storms hit then there will be a lot of branches (and possibly trees) that are in danger of coming down, so please take care in our local reserves, and if you spot anything that you think is in need of attention then please contact the clerk.

The Sports Committee

Another call for interested parties to get involved! We are setting up the new sports committee to help develop and run activities up at the sports field on Moor Lane. We would like residents to get involved, please email the clerk to register your interest.

Community Response Plan

We have been asked by Leeds City Council to draft a Community Response Plan, so that in the event of any local emergencies (floods, winter storms, prolonged power cuts, etc.) we are prepared to act and make sure everyone is looked after.

If anyone has first aid training, 4x4 vehicles, generators or plant equipment and would like to volunteer as a responder, then please let the clerk know.

Also, if you think you might need assistance with shopping or other day-to-day activities in the event of an emergency, please get in touch, in confidence, so that we can ensure you receive whatever neighbourly help you might need.

If you would like to raise any matters with the Parish Council, please contact the clerk.

The next meetings will be held on **Tuesday 20 October** and **Tuesday 17 November** at 7.30pm in the Verity Room, at East Keswick Village Hall. The first fifteen minutes are set aside for questions or comments from residents. Full minutes and local news are published on our village website and further updates can be found on the village Facebook page 'East Keswick Village Group by its Parish Council'.

Bardsey Borrow don't Buy Update

The 'Bardsey Library of Things' is moving forward. We now have our first 20 items in stock and we are slowly building the website. Plans are afoot to give the room we are using a lick of paint and fit it out with shelving.

We are on the lookout for anything you may be able to donate that someone might want to borrow on an occasional basis. We have a variety of children's and baby equipment but are on the lookout for a travel cot. We have some camping equipment and could do with more. **Do you have a complete tent in good condition that you no longer use?** We are looking for things you might use for occasional social events such as a garden gazebo, outdoor lights or a pizza oven. People often clean their patios once a year. **Do you have a Karcher pump or similar we could add to our stock?**

Our general rule is we will accept all items offered except power tools that we may struggle to maintain. The library will open as soon as the room and the website are ready. There will be no formal charges for the items borrowed but we will ask you to donate what you think the hire is worth to help with our running costs.

We plan to limit membership to residents of Bardsey, East Keswick and Scarcroft. If you can donate any items or want more details then please email jpallingham@gmail.com

East Keswick WI Update

Elizabeth Ward

In August we enjoyed afternoon tea in the garden of our President, with a taxing quiz and much conversation. Esther Hudson spoke about osteoarthritis at our September meeting. It could affect us all in later life. She stressed that we should keep doing as much as possible and not let it prevent us performing everyday activities. Find the right balance between rest and exercise.
