From the Vicarage

Angela Hannafin

Welcome to our October and November edition of the Parish News. As ever, a big thank you to the diverse team of people who make it possible for you to read this magazine. We don't take you for granted.

I also want to thank all of you who supported our first 'Green Fair' in September. Around 300 people came into the church and churchyard to support the event. We had many local and diverse stallholders, all sharing their 'green' ideas. We also raised over £500 in donations from the refreshment stall, which will go to purchasing food for St Aidan's FoodShare. It was a great community event. Hopefully it might have encouraged you to think a little more about your lifestyle choices? It has for me. Here in the vicarage we are now consuming oat milk and eating less meat... every little helps, as they say.

One of the things I was most proud of with the Green Fair was that it was a community event, hosted by the church. One of our aims in our vision statement is that our church should be at the heart of our community life. The Church of England, as I've heard someone say, is the church in England for everyone. So whether you're 'religious', or not, we are here for you.

Over the next few months we have a variety of events which are available to everyone. We are holding 'memorial services' at the end of October so we can remember those we have loved and lost, as well as the remembrance services in November.

(Sorry, it's a bit too early for vicars to start talking about Christmas just yet!)

We've also got lunches held on the second Tuesday of every month in the Callister Hall from 12.45pm. And for those who want to curl up on the sofa and join in, we've got a monthly Zoom quiz on the first Wednesday of the month. As well as this, our buildings are open spaces where all can come and find peace and solace in these difficult days.

We are here for you. With every blessing.

Angela

Inclusive Churches

Terry Wheeler

Some weeks ago our church at East Keswick, which is dedicated to St. Mary Magdalene, celebrated its Patronal Festival. As ever a joyous occasion, it concluded with a hymn entitled 'There is a Line of Women Extending Back to Eve', by John L Bell, taken from **The Inclusive Church Network**, of which our two churches, in East Keswick and Bardsey, are a part.

As inclusive churches we celebrate and affirm every person and do not discriminate. This hymn explores one aspect of this - the prominence of many women in the bible. I have taken as an example the well known story of Ruth, one of only two bible books named after a woman (Esther is the other).

Ruth chooses to accompany her mother-in-law, Naomi, on her return to Bethlehem in Judah from Moab. They have few resources and face a bleak future. Ruth goes to glean for food at the start of the barley harvest. She meets Boaz who is a relative of Naomi and owns some of the fields. They marry, have a son named Obed and hopefully live happily ever after.

An outline of a simple event that occurred more than three thousand years ago. And yet it still has the power to resonate with us in respect of all women who are experiencing prejudice, rejection, abuse and other challenges. What characteristics of Ruth emerge from the story and are equally important today?

Strength of Character

Ruth chose to be loyal to Naomi in her

troubles when the easier option might have been to stay in Moab with her own people. When Naomi tried to persuade her to stay Ruth said the words "wherever you go, I will go; wherever you live, I will live. Your people will be my people, and your God will be my God." These words were said to Winston Churchill by the American envoy to Britain in the darkest days of World War II. The decision in both cases invoked mission.

As an immigrant in a land that looked down on her race as inferior, her kindness and loyalty became respected and she was taken into their hearts.

Humility

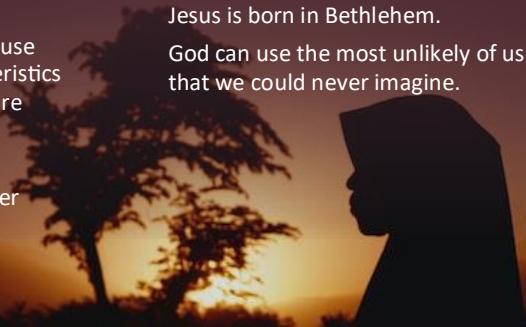

There is no pride or arrogance in her actions. She shows determination to work hard, is kind, appreciative of others and accepts the guidance of Boaz. Mentors can be important to us.

Faith

On the face of it there is nothing very special about Ruth. She starts in difficult circumstances but has faith to believe that God will provide. She may not have been able to see where God was in the mess of her life but He moved in ways for her as for all of us. Her story is a good example of how God can change a life. Of course Ruth was special to God as we all are and none are out of his reach.

And let us remember one very special thing, the book of Ruth ends with a family tree. Their son Obed becomes the father of Jesse who becomes the father of David and centuries later through the line of David Jesus is born in Bethlehem.

God can use the most unlikely of us in ways that we could never imagine.

Bardsey cum Rigton WI Update

Carol Cocker

At our meeting on 13 September, Margaret Moseley unlocked the secrets of “The Ledger”. What a fascinating insight into the lives of the Bardsey schoolmaster and his family and interactions with the villages of Bardsey and East Keswick. Our competition brought out some fascinating old school photographs and reports from amongst members memorabilia.

Saturday 16 September marked “WI DAY”, the 108th birthday anniversary of the founding of our movement.

We also celebrated the 90th birthday of our much loved member Monica Cairns, with the singing of the customary “Happy Birthday”.

Various members have been busy, contributing cakes for the stall at Bardsey Gala and showing their skills at Bardsey Show.

On Monday 21 August, the Golden Plover group led a well supported walk, followed by an

informal lunch at the Inn at Scarcroft. The next Golden Plover event is a ‘Fashion Show’ on 24 October in East Keswick Village Hall, when members will be taking to the catwalk. Tickets now available.

Wednesday 11 October

Our next meeting is bound to be a popular affair when we welcome back a demonstration from not one but on this occasion two very entertaining chocolatiers. Yummy samples are promised.

Saturday 21 October

We will be holding a fundraising coffee morning in the Callister Hall in the morning. Expect the usual tempting cake stall.

Our meetings are on the second Wednesday of each month at 7.30pm in Bardsey Village Hall and visitors are always very welcome.

He will be in his grotto from **10am** to find out what your children are hoping he will bring them on Christmas Day. This year he is bringing a very special visitor with him. Santa’s wife has agreed to come to see all the children in Bardsey Village Hall and give them a ‘lucky bag’, to keep them entertained after they have seen Santa.

Come and join us for a drink and mince pie or biscuit which is included in the **entrance fee of**

£2. Browse the various stalls and find extra Christmas decorations, gifts, toys and games, handmade items, art work, preserves, cards and the usual cakes and bakes. Try your luck on the tombola or the raffle with the **Christmas Hamper** as the main prize.

New ideas are in the planning stage so who knows what else will be on offer on the day. You will just have to come along and see for yourself. We can guarantee a morning of fun, chance to catch up with friends and lots of chat. So, put the date in your diary, **11 November** and join us from **10.00am until 12.30pm**. St Aidan's FoodShare Thanks

Dear friends in Bardsey and East Keswick and the wider parish, the St Aidan's FoodShare in its new incarnation (since the beginning of the pandemic), is by now a well known, well used and well respected part of our ministry and service within the local community.

Now securely established on **Saturdays between 10.30am-12noon**, we see a steady stream of people using this service every week. They are predominantly from our local communities in **Harehills, Gipton, Burmantofts, Roundhay and Chapeltown**, though we also see people walk in/travel in from further afield to make use of our service. We see regulars and one-off/seasonal use, individuals, couples and families.

Among them are people who have little or no access to social funds, are on benefit support or universal credit, under benefit sanctions or have recently become unemployed, or live among us as refugees and asylum seekers.

Government reports show that Leeds, on the whole, has significant levels of child poverty. It is estimated that over 14,700 children in Leeds aged 0-15 are in the top 10% of the country when it comes to their families suffering from income deprivation.

During 2022, numbers reached through our FoodShare averaged around 300-350 people, though we experience some Saturdays with lower reach and some Saturdays with a higher reach.

There continues a great energy, and a continuing interest amongst volunteers and donors trying to match the continuing need

among the most vulnerable in our community. With the general rise of the cost of living for everyone, our stock is at times very low, and we are so short of certain items that people won't receive even some of the most basic, like pasta or rice, tinned tomatoes or baked beans, or fish.

On a weekly basis posts are published on our Facebook and Twitter feeds, where we reach hundreds of views and are 'liked' and 'shared' and 'followed' by many local individuals and organisations with a responsibility or care for the neighbourhood. Among them are our local councillor, the local Senior Section Officer of the WYP, resources hubs like St Anne's or the Reginald Centre, Food Aid Network, Near Neighbours and Wellsprings Together, raising our profile and signposting those in need to our doors (though the majority of that will of course happen through word of mouth).

We could not do it without our partnerships! And you, wonderful people of Bardsey and East Keswick, are one of our most faithful, consistent and generous partners!

And that does not only recognise the volume of food and the monetary donations. It also recognises very much the countless volunteer hours in collecting, sorting and transporting donations, shopping and delivering, and time spent at St Aidan's prepping or helping with our FoodShare guests on a Saturday. **Thank you!**

>>>

Bardsey & East Keswick Running Club

We're more than a running club.

Some of our members do run marathons, some run 10K's, whilst others are happy with a park-run and some walk-jog the routes. However, we are more than this, we are also a social bunch and have friendships which go way beyond running.

If you fancy getting into running but also want to meet new people, then we are the perfect place for you. With four sessions a week why not come and join us?

**Mondays 6.30pm; Wednesdays 7.25pm;
Fridays 9.20am; Sundays 10.00am.**

Find us on Facebook or give us a call
07508 601294.

Our partnerships also include various supermarkets, Bankside Primary School, Wetherby Foodbank, Leeds City Council, and especially one of our local councillors, Cllr Salma Arif, community groups like the Roundhay WI and Oakwood Neighbourhood Watch and individual supporters and donors, some of whom have been with us from the very start of the pandemic. We are very grateful to all of them.

Supported through grants, monetary donations and fund raising projects we are also subscribers to **Fareshare** (£1,250 per annum) and **Rethink Food** (£1,100 per annum) through whom we receive fresh, frozen and ambient foods on a weekly basis.

Our wonderful volunteers meet twice during the week to collect, receive and sort donations, break down bulk items, bag up fresh fruit/veg where appropriate and sort any fresh bread we receive, and set up the operations for Saturdays, when we also process last minute donations and run the FoodShare on the day (and clean the church up afterwards and reset it for Sunday worship).

Our volunteers are an amazing and dedicated group of people whom I cannot praise enough for their generosity and commitment – thank you!

But back to you, wonderful people of Bardsey and East Keswick, the ongoing weekly donations from you as individuals, gathered, focused and delivered through the parish church, are so much appreciated, as are the grants received from your Parochial Church Council and, through the initiative of one of your parishioners, from the West Riding Masonic Community Fund.

This comes with my gratitude and many blessings for you all.

Green Fair Thanks

The community Green Fair held on Saturday 9 September in All Hallows churchyard was blessed with wonderful weather (if not a little too hot), which helped to make it a great success. Its aim was to raise awareness of the need for all of us to live more sustainably to help protect the environment.

Our thanks go to the stall holders and all those who helped before, during and after the event. With particular thanks to Adrian Balcombe, from the Boston Spa Green Group, who gave a well pitched, and well received talk on how to live sustainably.

LOGS FOR SALE

Seasoned hardwood logs are now for sale. They are a bi-product of conservation management in our local woodland nature reserves. 100% of the proceeds go towards the conservation works and running costs of East Keswick Wildlife Trust. Two crates of logs cost £110 and are delivered on a Friday.

Please email info@ekwt.org.uk to order or for more information.

MANAGING OUR WOODLAND

If woodland is left to grow without any management it can become a poor habitat, dominated by mature trees with no variation in size and a dark empty woodland floor.

As woodlands become more precious, we need to actively manage them so that they are as diverse as possible for wildlife. In Ox Close Wood we have maintained the original rides and created open glades. We also have a woodland pasture that is conservation grazed by our Dexter cows.

As the woodland comes into leaf, light is restricted to the woodland floor and the flora dies back. The managed glades and open grazed areas however, allow light into the woodland where wildflowers and many species of butterflies can be seen. In some areas trees have been thinned to allow a wider variety of tree species to flourish. This encourages trees of varying age and a scrub layer, providing a more diverse habitat for woodland birds.

Some areas of the wood are managed by coppicing, where trees are periodically cut back to ground level and new stems sprout from the stumps. This again allows light to the woodland floor and is a sustainable source of wood. Dead wood is left on the ground and standing for beetles, insect eating birds and fungi.

FORTHCOMING EVENT

East Keswick & Bardsey Brownies

Emma Wren

OUT AND ABOUT IN THE COMMUNITY

Last term, the Brownies got up to lots of exiting activities. We went to St Mary Magdalene churchyard on a wildflower hunt and to Elliker Fields to collect ingredients to make magic potions. We also had our annual walk along the river to Wetherby and ate chips at the bandstand.

The Brownies meet at East Keswick Village Hall every Wednesday to do fun activities, play games and earn badges, helped by trained volunteers. When they heard of the Village Hall's bid to purchase the Illingworth Field (the two-acre plot of land directly behind the Village Hall garden), they were very excited about the extra space for activities. They all got involved and came up with imaginative ideas for the space. Brownies decided to join with other groups and fundraise to protect this piece of green space for their community.

Bardsey with Collingham Mothers' Union

Brenda Sanderson

Summer arrived late but we hope you all took advantage of it.

In August we had an 'afternoon tea' and members enjoyed the food and the friendship in the Callister Hall, which always looks welcoming, whatever the time of year.

In September there was a tea and chat get together and it was good to learn what lives were like pre-Bardsey. We also remembered those members who aren't able to join us at present, especially Elizabeth, Sue and Maisie.

Making plans for activities on Illingworth Field

SPRING ROLL TASTING EVENT

The Brownies are planning to run a 'Vietnamese Spring Roll' tasting event at the Village Hall in November. They will be decorating the room and taught how to make and wrap, yummy Vietnamese spring rolls, by a Vietnamese chef (a local East Keswick villager). Organising this event will help the Brownies gain their charity badge.

Look out for announcements on the village Facebook page about this event and how you can reserve your tickets.

We would love to see you there!

12 October

We are really blessed that Gill Barber has volunteered to come and tell us about Orkney, where her son lives and how she has grown to love it through her visits.

9 November

We have made a decision that we will continue to hold our monthly meetings but not always have a speaker as this has become increasingly difficult but we do enjoy the friendship and it is quite surprising the topics we cover.

We invite anyone in the village or surrounding area to join us for a friendly afternoon on the second Thursday of each month, in the Callister Hall, commencing at 2.15pm. There is always a cup of tea and refreshments and a very warm welcome.

Bardsey-cum-Rigton Parish Council Report

Cllr. Linda Flockton

Mrs June Gallant

It is with great sadness that we have to report that Mrs June Gallant, our former Clerk, passed away on 26 August. June was Clerk to Bardsey Parish Council for well over 30 years and only retired in December 2021. June was immensely valued by successive Parish Council Chairs and all members of the Council, we all appreciated her vast knowledge and helpful advice, the warmth of her personality and infectious smile. She will be sadly missed.

HIGHWAYS

A58 - Bank Top Bus Stop: There was a lot of rain during the month of July and water was again pooling close to the bus stop at Bank Top. It was again reported to Ben Cornelly, LCC Highways, who stated that this was due in part to the camber of the road and that it was only 18/20 months ago since Highways put a lot of time and effort into trying to resolve this problem. However, it is an ongoing external problem which appears to be almost impossible to resolve.

A58 Church Lane - Cornmill ginnel area: There are many trees beyond the footpath, towards the old railway embankment, which are in an unstable condition. This was reported to LCC with photographs but as yet no response.

Hedges adjoining public rights of way: There are many public rights of way (PROW) in various areas of Bardsey. Bob Buckenham of PROW has advised that legislation requires that if your garden or hedge backs on to a PROW it is your responsibility to keep hedges and growth cut back, and the pathway open. Please do not throw garden rubbish or weeds into the hedge bottom and please keep all paths clear on PROWs.

Hedges overhanging pavements on roads and public highways: We have had many complaints from villagers about hedges encroaching and overhanging pavements, especially on Keswick

Lane, Mill Lane and other areas of the village. Please consider your neighbours and cut back hedges especially if they are narrowing the pavements and becoming a danger to pedestrians, and also please have consideration for people in wheelchairs and parents with prams and pushchairs.

Village Pond: It was reported that a limb of an ash tree had fallen across the pond. It was agreed that it was safe to leave at present and we will continue to monitor the situation.

FUTURE MEETINGS

The date of our September meeting had to be changed from the 20th to the 27th September. The next two meetings will be held on **Wednesday 18 October** and **Wednesday 15 November**, at 7.00 pm in Bardsey Village Hall Committee Room. The first ten minutes will be set aside to deal with any issues raised by residents

Full minutes, and other information is published each month on our village website www.bardseyvillage.org.uk

REPORT ON PARISH WALKS

It was raining on Saturday 22 July, however, there were three Parish Councillors and four ladies willing to brave the weather. We therefore decided to go ahead with the walk, wearing our best waterproof gear. The walk on the east side took us through Hetchell Woods and was very enjoyable.

The second walk on the west side took place on Saturday 5 August and there were nine of us on this 'beating the boundaries' walk. We were blessed with much nicer weather and our walk ended in the Bingley Arms where we had a refreshing drink and everyone said that they will join us again next year.

Cinema Night

Bardsey Village Hall
Friday 27 October, 7.00 for 7.30pm

'Indiana Jones and the Dial of Destiny'

Admission £8 - supper included.

To book call Susan on **01937 574116**, Rosie on **01937 572652**, Martin on **01937 572127**, or Alex on **01132 892689**

The next film showing will be 'The Unlikely Pilgrimage of Harold Fry' on Friday 24 November.

Bardsey Players

The Bardsey players drama group was started during the second world war and continued producing plays until about ten years ago. The retired members have decided to celebrate a group which gave much entertainment and laughter, both to us, and we hope, our audiences.

We will be holding a party on **10 November** in Bardsey Village Hall and we would like to invite anyone who has had anything to do with Bardsey players over the years, whether in acting, lighting, backstage or on the bar.

It would be helpful to know how many people would like to come so please phone either Rosie on **01937 572652**, Susan on **01937 574116** or Alex on **01132 892689**

Please come and share your memories with us - we may have some films to show!

Rosie

Callister Café

Our monthly lunch and social space for anyone living in and around Bardsey. All welcome.

Homemade lunch served from 12.45-2.00pm on the second Tuesday of the month. It's free but donations are welcome, to go towards the St Aidan's Foodshare.

Join us on **10 October** and **14 November**.

East Keswick Flower Club

In July we had a very good demonstration from Jan Faulkner entitled "Just for You". She had some beautiful flowers in her lovely arrangements and everyone was most impressed when she continued to demonstrate when her mic failed and batteries were being replaced! I think everyone would have loved to have taken one of her designs home with them!

The summer afternoon tea in August, with Sue Maddocks demonstrating, was the club's fundraising event. There were about 90 people attending and they sat down to a delicious afternoon tea - after watching a very skilled Sue illustrate through her five arrangements, the "Afternoon Delight" we all had!

Coming up;

19 October

Demonstrator Christine Hinchcliffe will be coming to showing us how, 'wire works' for her, and perhaps you if you're interested?

16 November

This will be a workshop for members only. Places can be booked by letting Irmgard know before hand and you will then receive the instructions as to what to bring.

A Cheshire Christmas

24 November, 1.30pm

Join us for our Christmas demonstration when Ian Lloyd will be making arrangements to show us what a Cheshire Christmas could look like.

Please contact Sue Cooper on **01937 583831** if you would like a ticket or two, for what promises to be the flower demonstration of the year. Everyone is welcome to attend! The cost is £20 and this includes refreshments at the end.

All our events start at 1.30pm on the third Thursday of the month and everyone is welcome, so why not come and see what it is all about. East Keswick Village Hall is the venue and you will be made very welcome as we are a friendly bunch of ladies, who share a passion for flowers.

Baby Basics Leeds provides much needed baby essentials for vulnerable families in the area. Working with healthcare professionals they provide starter packs for new parents/ mothers, which contain clothing, toiletries and essential baby equipment.

They rely on financial and material donations, either new or second hand. Following a

presentation at All Hallows, our communities donated generously and Kate Wright, the Centre manager couldn't have been more thankful.

"I have just collected the basket and all the donations. Please would you pass on our deepest thanks to your congregation. The number of donations is more than we could've imagined and we are so grateful for them. Thank you again for helping me organise this."

Baby Basics Leeds are based at St Paul's church in Ireland Wood, LS16.
